His early work focused on the nature of ritual. By 1967 he had moved on to a whole new. Under the aegis of the University of Chicago, Turner oversaw the development of the University of Chicago Divinity School, a full-scale version of his initial, more modest changes. To support his work as a visiting professor and chair. The Forest Of Symbols: Aspects Of Ndembu Ritual by Victor Turner Then in 1991 Turner was awarded the prestigious Lumbee River Association Gold Medal for his impact on the understanding of the Ndembe religion., 1967: 59-92] 2004, The Forest of Symbols: Aspects of Ndembu Ritual (1967-2004). In the twentieth century, great changes have taken place in the range of communication and in our use of it. Sociologists, particularly of the mid century, were much absorbed with the changes. Victor Turner was one of these; he is still regarded as one of the most significant anthropologists of the twentieth century. Those who do no rituals - or who have not been "socialized" into the contemporary episteme - are objects of analysis. We are members of the society, but not of the individual "forest" .. To present a picture of the world that is transcultural (or sociocultural), we have to begin with Turner's forest-theory.. The The forest of symbols: aspects of ndembu ritual The forest of symbols: aspects of ndembu ritual Aspects of Ndembu ritual The Forest of Symbols: Aspects of Ndembu Ritual The Forest of Symbols is a book by anthropologist Victor Turner that deals with the Ndembu people of Zambia. It was published in 1967. The book is about the Ndembu religion and it was dedicated to an ethnomusicologist who was working in the area at that time. It was studied by many scholars who enjoyed the fact that it focused on a specific culture and made comparisons to other cultures. Many also took interest in the book for the fact that it also described the Ndembu religion. The book is divided into 3 parts. The first part of the book is called "The Forest of
